

The Central Motel as its name implies, is in the centre of our main town Avarua. It is ideal for visiting consultants, business people, company representatives and tourists who like to be in town and still only a short bus, scooter, bike or car ride to fabulous beaches.

We have 14 rooms and a small conference room. Our rooms have T.V's, fridges, toasters, kettles, mini bars, tea/coffee making facilities, fans and en-suite. There is a Spa pool to cool off in after meetings or just to cool off!

We also have our own WiFi facilities for guests.

The Central Motel is only 10 minutes from the airport and is within easy walking distance of most government offices/agencies, shops, restaurants, café, banks and museum and libraries. We can arrange car/scooter hire, tours and outer Island flights and tours. We have airport transfers and all our guests are met personally.

"Convenient. Walk to all shopping, bus station, choice of good dining. Small family store just up the road for milk, bread, and the morning paper. Walk to banana bar or Salsa cafe for breakfast. Secure parking for your scooter. What else do you want?" Iwashathor - Australia

· FLY NONSTOP FROM SYDNEY TO RAROTONGA ·

Flights leave on Sunday for the perfect one week escape!  
Leave the turmoil of city living for the tranquility of island leisure.
